Water Hydrant Theft on White Oak Point Ct in White Oak Springs – As seen by a resident on White Oak Point Ct who immediately took pictures and sent to the HOA. The commercial vehicle installing new cabling in Hemwick Place was filling a large water tank with water from a fire hydrant. The HOA board immediately contacted the water district who went out to investigate and take necessary action.

The commercial vehicle is shown in the pictures provided below. Because this is MUD248, our Municipal Utility District that we pay MUD taxes on, water theft like these effects our costs in MUD taxes if left not reported.

No one is PERMITTED to take water from fire hydrants as they are “not metered” and cannot be billed back to the person(s) taking the water unauthorized, therefore, this needs to immediately be reported. In this case, it can be reported directly to the Water Company (Water District #61) at 281-469-9405 as they are the MUD248 Operator.

This is not the first time we have had to call in regard to MUD248 water hydrant theft. **It is important that we take care of these types of incidents as soon as they are seen, otherwise it effects possible increases in our MUD248 annual taxes.**

Please immediately contact the following numbers to report this:

(MUD248 Operator) Water District # 61 281-469-9405

Non-Emergency Sheriff's at 713-221-6000, option #6
