Homeless In Playground (Morning) – Reported by one homeowner early morning on 3.22.2024 that there are multiple homeless persons in the playground by the picnic table and also had a shopping cart they were towing with their belongings . This homeowner seen them while walking on the trails.

The non-emergency number was contacted but when the deputy arrived, they were no longer there. Approximately an hour after the deputy left the area, they were again seen in the playground by a few board members driving by and checking on the playground status.

This is UNSAFE for our kids playing in the playground and our trail walkers, so please take pictures if possible and email the HOA Board so we can add a crime awareness report.

THIS IS IMPORTANT, don't just do nothing, if you see homeless persons settling down in our community, please contact the non-emergency Sherriff's number below and request that they be removed immediately. Homeless persons are constantly seen in our community, and we need to nip-it-in-the bud, for everyone's safety and for our own property values.

Sherriff's Non-Emergency number is 713-221-6000, option 1
