

## **April 2023**

**Homeless Found Sleeping Under Playground Slide** - One resident and our landscaper found a homeless person sleeping under the playground slide who would not leave the playground. The resident and landscaper contacted the non-emergency number, and the police came out to remove the homeless person. When asked how he got into the playground as it is behind a locked gate, the individual claimed that the playground gate was left unlocked.

They are NOT PERMITTED to enter or sleep on anywhere in our playground and need to be immediately reported so that this issue can be stopped, and our children can safely play in our playground. Our landscaper did take a pictures but has not shared them with the board at this time.

The HOA board asked for everyone to be vigilant.

If you should see individuals sleeping anywhere in our playground, if possible, take pictures and forward them to the board.

Also, please immediately contact the following numbers to report this:
