Suspicious Individual with Bike on Talking Trails – A resident saw a young person walking with a nice-looking bicycle over at the trails. They said when the person seen them, the person dropped the bike off in the open and went to "hide" behind the bushes\trees.

A board member received the picture shown after the fact; therefore, no one was contacted for this as it was "too late" to call.

The HOA board asked for everyone to be vigilant.

If you should see suspicious individuals along our walking trails, if possible, take pictures and forward them to the board.
