Motorbikes & Homeless Seen on Boardwalk Pipeline – Reported by a nearby multiple nearby homeowner and residents. This is two different events or incidents, but group together in this same report.

- The repeat homeless person seen on a bicycle, was seen peddling up and down the Boardwalk Pipeline that runs thru White Oak Springs between White Oak Point Ct and White Oak Trace Ct. It appears he was returning to get items that were abandoned either on the evening of April 15, or very early morning before dawn on April 16. (*See Abandoned Bike for April 16 for more details*)
- There are White Oak Springs residents that are riding motorbikes thru our subdivision. These bikes are NOT street legal. They were seen tearing up the grass riding up and down the Boardwalk Pipeline and the MUD248 walking trails. This is NOT permitted. There are signs on the walking trails that clearly indicate NO MOTORIZED VEHICLES, and tearing up the grass on the pipeline is a ticketable offence.

In both cases above, no pictures were captured, but the HIA Board is asking residents of White Oak Springs to beware of this activity, and if you are the resident tearing up the grass and riding the motorbikes to stop.

THIS IS IMPORTANT, don't just do nothing, if you see homeless persons suspicious in our community, doing nothing just increases the numbers. If you see residents behaving "stupid" and tearing up the pipeline or walking trail grass, take pictures if possible and send to the HOA Board so we can ask the individual(s) to stop immediately. We, the residents of White Oak Springs need to nip-it-in-the bud, for everyone's safety and for our own property values.

Sherriff's Non-Emergency number is 713-221-6000, option 1

APM at 713-686-4692
