

Hello neighbors,

Just wanted to update everyone on the suspicious vehicle parked in the back of lot of the meat market facing the White Oak Springs walking trails.

Since our Crime Awareness email sent Monday, we have discovered who this person is and his exact address. He is a retired resident of a nearby subdivision, but does not live in White Oak Springs.

The Sherriff's office has been called out 3 times in the last 3 days to investigate the person seen.

He made "false" claims that he lives in White Oak Springs and "false" claims that he goes there to read a book.

The police spoke with witnesses onsite on Wednesday that clarified that he has binoculars and is watching the walking trails. Another witness clarified that the Jeep is there mostly every morning, and that he appears to be watching and talking pictures of women walking the trails.

The police feedback is that he was asked not to park there, and he moved and parked on White Oak Springs Dr, near the Flock Safety camera. If you see this red jeep wrangler with license plate number NZK-3931, please call the non-emergency police immediately (713) 221-6000, option #6, as he was told not to park there.

Also, please email your HOA Board at WOSHOABoard@gmail.com to let the board know if you see this jeep, what date and time so we can continue to keep a record and stay on top of this.

If you leave your contact information, (*name and phone number*), a board member will contact you for more details.

Thank you,

Your White Oak Springs HOA Board
