Our Residential Services

At Texas Pride Disposal, your solid waste program should be just that: yours. Don't let the big guys tell you what you can and can't put at the curb, when you can and can't put it at the curb, or what container you have to put it in. With our numerous garbage collection options, build a program that fits your community's exact needs and guarantees your community will be clean and pristine every day. Our residential services include:

- **Garbage Services**
 - Curbside service: Standard collection of residential waste placed curbside in resident-owned cans and/or bags.
 - Polycart service: Collection of residential waste placed curbside using Texas Pride Disposal-provided carts.
 - Cart sizes available: 95, 65, 48, and 35 gallons
 - Backdoor service: Collection of residential waste placed near the garage or side-yard gate.
 - Bulk waste and yard waste every collection day.
- **Recycling Services**
 - Curbside service of single-stream recycling using Texas Pride Disposal-provided containers.
 - Container sizes available: 95, 65, 48, and 35 gallon carts; 32 gallon round cans; 18 gallon bins
 - Backdoor service also available.

Our Customers

From large municipalities to individual subscription customers, we do it all. Our customers include:

- **Utility Districts:** All MUD's, PUD's WCID's, and any other type of utility district.
- **Homeowner's Associations:** All HOA's, POA's, CIA's, CA's, and any other type of homeowner association.
- **Townhouse Communities:** We proudly service numerous townhouse communities of any size throughout the Houston area.
- **Individual Subscription Customers:** Services can be provided to individual households in unincorporated areas depending on your location.
- **Municipalities:** Texas Pride Disposal can provide comprehensive waste services for municipalities.
- **Apartment Complexes & Condominium Communities:** Dumpsters, hand collect services, and valet services are available.

Residential Collection Guidelines

- Time:
 - Have waste ready for collection no later than 6:00 am
- Household Garbage:
 - Waste must be placed in personal containers between 20 and 95-gallons or bags.
 - Containers smaller than 20 gallons or containers that are not built specifically to be used as a trash can will be disposed of
 - Cans or bags cannot exceed 50 pounds
 - Drums and barrels are not allowed and will be disposed of
- Heavy Trash:
 - Two heavy items collected EVERY service day
 - Heavy trash/bulk waste includes waste that is not generated on a regular basis, including:
 - Furniture (couch, table, mattress, box spring, desk, dresser, etc.)
 - Appliances (washer, dryer, dishwasher, etc.)
 - Hot Water Heaters
 - Fencing/Decking/Siding (please remove nails, cut into lengths 4' or less, and tie and bundle under 50 pounds, limit eight bundles per service day)
 - Trampolines (broken down, please place metal with recycling if possible)
 - Basketball goals (broken down into sections 4' or shorter, no concrete in base or poles)

- Carpeting/Flooring (please cut into lengths 4' or shorter and tie and bundle under 50 pounds, limit eight bundles per service day)
- Yard Waste
 - Place grass clippings in cans or bags under 50 pounds
 - Branches should be placed in CLEAR, INDIVIDUAL piles measuring no larger than 3' x 3' x 3', or tied and bundled and under 50 pounds. Branches should measure no more than 6" in diameter to avoid damage to our equipment. Limit eight bundles per service day.

Unacceptable placement of branches: piles is larger than allowed and not tied and bundled

Acceptable placement of branches: individual piles that crews can wrap their arms around to load easily.

Excess Volume

If you have a larger than usual amount of household waste, bulk waste, or yard waste, [click here](#) and we can provide you with a quote for disposal or direct you to resources that can properly assist your disposal needs.
