Suspicious Drugged Person – Several residents took pictures of someone, presumed homeless, drugged up with a girl's pink bike, presumed stolen, passed out on our entrance in front of the playground sidewalk entrance. The police were called. Pictures were taken of the person and turned into the police and Water District #61.

This same person, with the same pink bike was seen at the coffee shop the following morning at 6am. He was stopped and shown the pictures of him passed out in the grass and he simply just chuckled. He was informed that the police were called out several times for him and even though he seems to leave just before they get there, he will be arrested and sent to jail.

As these individuals continue to be seen more and more often, and this is becoming a huge safety concern to our children and our residents on the walking trails and in the playground.

It is **NOT RECOMMENDED** to approach these individuals as you don't know if they are carrying any type of weapon, so **It is important that we take care of these types of incidents as soon as they are seen, otherwise our trails may have homeless people and drug-users moving in if it is not stopped right-away.**

The HOA board asked for everyone to be vigilant.

If you should see suspicious individuals like this, if possible, take pictures and forward them to the board.
