Vehicle Break-in on White Oak Falls Ct reported in White Oak Springs – Report of a vehicle break-in early morning of 1/19/2025 just before 5am.

Crime 1 – Multiple persons in a grey/dark-grey car, stopped in front of the resident's property and broke the window of their work truck parked on the street.

Security cameras by neighbors did capture some pictures of this crime and these were sent to an HOA Board member to provide this report for awareness. The resident did report the break-in to the police as well. The HOA Board did review the Flock Camera for any vehicles with this description between 4-6am, and only 4 vehicles entered White Oak Springs during this period, with only one that has entered ONCE in the last 30 days, also matching the description. Pictures are provided below.

Hopefully, the police are able to locate the vehicle by its license plate and arrest someone for this crime. A special THANK YOU to the neighbors that shared these incidents and had footage to share with the other resident/homeowners that were the victim of the crime and for helping them out.

THIS IS IMPORTANT, don't just do nothing. Please always report suspected activity to the Sheriff's office and email the HOA Board the pictures and feedback so we can add a crime awareness report.

Sheriff's non-emergency number is 713-221-6000, option 1
