Homeless In Playground (Late Evening) – Reported by a nearby homeowner. There were 4 persons reported in the playground under the new lights installed. One male was yelling at 3 females and going back and forth and slamming the playground gate back and forth. They must have broken the gate lock or obstructed it, so they are able to open it without the code. (*These persons have been reported by other homeowners who reported them in front of the Gas Station as prostitutes walking back and forth in front of the 7/11 Gas Station, with the Gas Station workers not doing anything about it.*)

The nearby homeowner reported it to the board approximately 9:50pm, and also called the police to come out as the one male had been yelling over several hours. The Flock Safety Camera captured police cruisers coming into our entrance at 11:43pm, and another unit at 12:08pm. The homeowner also reported that on his camera, he sees that a total of 3 police units came out and looked like they searched the area, but no contact was made with any persons. Unfortunately, it's assumed that the homeless may have vacated the area before the police got there. 😞

The HOA board has been doing a lot of things to deter homeless from going into the playground, but it doesn't seem to make a lot of difference. We are looking for suggestions from residents, so please let us know your thoughts by sending an email to the WOS HOA board email below.

This is UNSAFE for all our residents, but mostly our kids playing in the playground and our trail walkers, so if possible, please take pictures, and, immediately call the non-emergency Sherriff's number below and please ask that the deputy that goes out phone you back to let you know what they did find or did as we'd like to know. And email the HOA Board the pictures and feedback so we can add a crime awareness report.

THIS IS IMPORTANT, don't just do nothing, if you see homeless persons settling down in our community, please contact the non-emergency Sherriff's number below and request that they be removed immediately. Homeless persons, and well as suspected prostitutes frequenting the front of the 7/11 gas station are constantly seen in our community, and we need to nip-it-in-the bud, for everyone's safety and for our own property values.

Sherriff's Non-Emergency number is 713-221-6000, option 1
